FROM THE DESK OF THE CHIEF

Snowbirds are starting to return, but we have not yet received our cold wave. Please ensure that you stay hydrated, with this heat you can be affected quickly.

We had our presentation on Stroke and Diabetes. The Squad has a long history of trying to "extend the quality of life" for our residents of Sun City Center. We partnered with: Tampa General Hospital, Sun Towers, and the Men's Club. It is our belief that a bigger program gives more opportunities, because people can justify teaching or spending resources on larger crowds. In the two classes, we had 540 people attend. All the partners were so excited with the turnout they want to do it again. There are many topics that need to be discussed in this community. I really appreciate all of you that attended to show support and if I haven't said it before: "Thank You"

The roof on the main building is supposed to start on 10/1. We are supposed to get the new Ambulance in a couple of weeks. We are very dependent on what others tell us, so we will see.

We have just had an EMR class get finished and 6 graduated and on 10/1 another 6 have started the class.

Documed is on track, for those of you that don't know even what in the world that might be. It is the program the ambulance crews use to capture the reports. Just like microsoft there are always updates. This is a significant one. We also need to slim this down from an Advanced Life Support (ALS) to Basic Life Support (BLS) report.

Hope
Knows no fear.

Hope dares to blossom
Even inside the abysmal abyss.

Hope secretly feeds
And strengthens
Promise.

A SUN CITY CENTER MOMENT WITH JOHN CORTESE

A preacher was winding up his temperance sermon with great fervor. "If I had all the beer in the world, I'd take it and throw it into the river."

And the congregation cried, "Amen."

"And if I had all the wine in the world, I'd take it and throw it into the river."

And the congregation cried, "Amen."

"And if I had all the whiskey and demon rum in the world, I'd take it all and throw it in the river."

And the congregation cried, "Hallelujah!"

The preacher sat down.

The song leader stood up very tentatively and announced, "For our closing song, let us sing Hymn #365:

"SHALL WE GATHER AT THE RIVER."
